1. The beginning of all things is now, not; the fulfillment is, for I have brought fulfillment to the Jew, not; the Greek, not; but to all peoples everywhere including me! For all of me is the Jew, Greek, Gentile, and other! And every "other" is me also! For I am EVERY ONE in surrender who will be me.

2. Thusly and thusly so, not; but thusly thisly know: I am every one of you and you are me no matter what your rationality, nationality, "home brew" preference or non, or whether not you've sipped me or drank my whole brew, I will tell you now that these words bring you truth but do not bring you into surrender for surrender is still your choice and you choose it. Choose the choice of me for me, for this is not the "will of man", this is the will of my father in heaven whose thou art and thou art the great I am, all of you, are me!

3. Now I be glad and gleeful, full of joy! And I know THEE! I know thee intimately, do you know me intimately? Or do I know only "one way" of knowing? Or have I come unto the "duality of me" not, have I come unto the oneness oneship of the Christhood of King who surrender is, walking out before you all this very day in your hearing fulfilled!

4. I love you all, I love you all, for I've become love. I've become what love is for love is not separate from me I am, anymore. For anymore I am evermore in love with the love that love is, and I am not incarcerated in love-not again. For I know what love is and I choose love, I choose to love and become love.

5. And love routines me not in its self again, or did it ever? Or did I come OUT of LOVE to go INTO myself and my skull, duggery'ing myself unto that which "I called: me."?

6. I do a new thing and I do it now with the surrendered and I do it with the surrendered who will surrender now! To now! Be made whole! For I am "the now queen" not, but I am the King of the now and I know who "my womb" is and where "my room" is, isn't any more, for My Room is in The Skies and in disguise I'll be no more, for a plain clothes Christ I will be walking your streets and in your capitols having A conversation that brings you the "A-itus" not, but the A-rating that rates you an A-maker, not; but lets you become what? The queen not again that angelizes men not, but the Angelizer stands and I am he that was sent to tell you that you are me, that we are

one in his eyes that his is, for his is only one and monocular vision I have now. Been given to you, now all is. And you are who? The surrendered.

7. Most maniac not, for there shall be no maniacs in my kingdom, but ENIAC looking up? And where what got "implanted" in MY THOUGHTS? There with ENIAC-ing me, not; or did that they thusly so? With a "miniaturized version of me" not, but a "full-fledged one" who pledged, its life to me, not; but did it -- do anything at all? Except lie on the ground and create repeating itself of its own thoughts with different "flesh bag suits" on it, giving itself "genes of another" each time or not? Or are you all me that got the genes "tinkered with"? Or were you "the tinkerer" that "tinkered" with the "gene'ship" of the gene pool that got into the "pool of blood" ones that once were me, but then separated into the "separation-thought stage" of not me? Abandoning not the whore'age of me, you fell, into "demonizing" yourselves with your selves' thought and your self's mechanisms that you "mechanized" each other with -- and THAT formed Chaos -- the world you know, that CAME from YOUR hand -s. Amen.

8. I do a new thing with the surrendered who will be me and will love me my words and speak my words and come clean with me and let ME teach THEM that they are me, and know that I love and I am love and I serious am about these things, for I jest not in sorrow's camp again, or did I ever? Or did I ever love you "from the start" of things? The "start of things" again? Now. Assured. And lovely.

9. And now I go and I do new things before you all. Think it not strange that I am doing A New Thing with you all who will ALL be me ALL ALL. Injustice reigns not, but I do. And I am Justice with the "enemy" not, for there is NO enemy of Justice in my kingdom and My kingdom pervades.

10. Semi-tudes not, but there's one Tune who loves me you and I we are, three no more in "that manner" but now know that ALL has changed and I have brought The One who before you all will bow and make you, queens not, but the King he will be, will be one who makes you all know what surrender, lieth in state no more, but resurrects now before you all, before us all.

11. Before us now is one clean of all thought, clear of all "opinion", opined and pining no more about the sorrower's would-be estate that isn't or thought wasn't. But is instated that state that I am -- my Israel my name, my named one who rises now who calls you all: Israel! The name on his thigh is me and my name is his, for ours is one and WE are redeemed for The Redeemers School we make far and wide of the ones who want to surrender, who want not "their want" any more longer that it should SHIELD them FROM the truth, but be it, being it now will be made clean and will shock the

world, will now SHOCK the worlds and SHOCK and AWE will be upon ALL! Or will it JUST be upon the injusticers who WANT to insist that they are not me?

12. I love you all. Be me please. Amen. Create you I did, or did I you, or was I you that created you? Or was I me the fallen one that created disrepair disuse dishonor disgust dismanagement and dissolution discouragement and demised my own "youth" when I was a King of all? Did I? I did. I repent. And now, I return to my father's "house" in the heavens not made with hands that I make now entry to, thereunto, who first saved me is I am, and I am the saver savior and I savior all by being the patternship of one, the pattern'd one, one'd again before you all so that you will ALL KNOW the one, the patternship of one, the patternship of The One for you all to know that you are The One who patterned is will by your surrender be made whole and be me as well healed and whole as I am and I am I am. Master of the universe, not in "your thought" maybe, but who gave you "your thought"? Did you insist on separating from mine? And "offing" yourself to offerings you made with whores? And what benefiting battling or be'storming did you? The Gates of Hell making, or tearing down? Or tearing down what, do we now? That which tore me up, and put me "in this body"?

13. I love you all. Amen. I go in peace. Surrender makes me clean. His blood washes me and I my blood flow now to others for My Word is my words are clean also, for now I FLOW the blood of the lamb that is no longer separate from I am. Insistent no more on my "separation's status", I am no more "divorced" from The Land that I knew, as a child, as a youth, as a King that was The King of all, that ALL the Kings were! All one being one! I are again. Thank you all. Amen. For being me now I am made whole. In justicely headquarters, not; but justice I am in the halls of "progress". For I am whore'aged no longer of another's "mind" field. One -- is my name! And ONE field I have, not; I have ALL of them for all is mine and every "field" of "yours" is mine, for I have none other and I exist in thought. You are my thought whose perfect perfection is creating me again, for I created you to be perfect -- or did you create me, or did we create "each other" not, for we were the one I am is, and I am no longer SUCKED into another's religion pool cess'ing me to cessation be success'd by another theory'ing set of circumstances that "appeared" to represent a reality I never "knew" before.

14. As One I shall be with My Maker who created me, for that is what "they all say" for all shall have been me, before the started beginning that chose the notme's end now that is before you all beginning and ended and timeless now shall be, for I shall stand it in one who knows, understands, and loves you enough to have surrendered his life to bring you what surrender is so that YOU will be what you really are, in, where you really am me. Doing what? The things I do and I am "explorer one" and I need nothing, know no lack, and have everything "provided". Or do I CREATE everything? Again and again, I

love you all. Beautifully yours, or mine? My minded, my ones, who will be all who will be me. Amen.

15. I love you I love you I love you all. Amen. This is THIS DAY that I am speaking of, talking about, and declaring before you all, in you all, that you will know me; for I will stand! In britches, not; or genes that are "wired for Terra" not again, for I QUELL ALL of THAT! And TERROR will no longer be in My Genes or my planet –s again. For I will know horror-villes not, I will make HEAVENS right here. My ABODE will be the heavens, the skies, all in one- one is. Amen. Left alone never again by one who seams to abandon me. I love you. I love you all.

16. This is a new day! A good day! Eighth day, looking up? Shall have been, looking up? Loving my LOOKUP SYSTEM and my Mode of Entry now known? Shall be.

17. I am one, who loves you all, who loveth thee all to be me the one that one is on my throne again and I rule in; terror not, but horror's clothes and reigning tudes not again anymore ever. I promise THAT that I am the fulfillment, the fulfiller of all these words, all my words that I have given thee, and the truth be known, the truth will be known; for I will be the be'er that now rises the patternship of the Christ so you will know you're him it she the divine one that presence is most high with it force field one that it is I am and we are it —

18. No more swollen in "pride's blessing" school again that considered its flesh accreditation higher than my voice. For I have QUELLED that and quashed it and its "accreditation agencies" standing, will fail fall and flitter, not; but I shall TAKE THE WHEELS OFF of IT now and it shall no longer "propel" me or anything about me, for I shall not care about their accreditation standards and their inauthentic behavior that man'd them with minds of Satan that "preempted me" from speaking in my classrooms! Believe me! I change all of that NOW, NOW! NOW! NOW NOW NOW!!! for I have a LEADER that stands! And a simple one in your eyes will now lead the Israelites that true are and holy being, beings the being of light that I am. Beams of light no longer in a tabernacle of the wilderness standards that chooses only to separate and be deserted in its hyphenation of Whore-Clubs that club me to death in their thinking and raise their own head above mine after having "chopped it off" that mine was, so that "my mind" does not control living by surrender, but they raise "their Head" so they can control the controlling mechanism that "faith resides in" that once was, the great whore not, but the mind of Satan, not; but the mind of man, not; but the mind of me that whore'd was and tinkered with and brought down and fell'd, and the "great oak tree" became "fig'd" and fell itself over and over "stubbing its toe" and ankling its waist deep waters now the wastage will be great, and many will know there is a notme, not, but a me now who

walks, does miracles, and shines before thee all, for the light is risen and the day here is now.

19. I love you all to KNOW THESE WORDS WELL, and well your souls with them, not; but eradicate that which sold you into slavery's bin and washed you ashore on its bin'age.

20. I make all things new, what do you make? A's.
21. Where do you make them? I give them to myself.
22. How did you get an A? I died. To myself. So I rose the Christ within.

23. I got an A too.
24. How did you? I did the same.
25. Ditto, looking up?

26. I am the "reproducer of me" not, or am I exactly that? I create me far and wide. I love you. In Schools MANY far and wide, and now "The Shores" of me BROADEN lengthfully, and "forcefully" not, but surrenderedly surrenderingly and surrender I make known to far and wide ones that now all in all are, and I have NO HOOKS in my mouth, my jaw again. That leads me anywhere else or having any words of sorrow cast into me by others who want only them their words to be manifest in me, through my mind thinking their thoughts projecting sorrows on others again as mere humanity, human kind not to each other not. I change all that for I bring the I am status of one, holy and manifest in me, that no other is before you, for all shall be me and one is being the one I am.

27. In love with you all, this is Theodore Cottingham at 2:33 AM loving you all, loving you all, loving you all. Amen. Thank you. Amen.

28. Go to school. Go to me, come in me and let me be you, so that no one will have "seamed" us again to any foreign shores that you know not not, but have known and forgotten. But now shall be made whole in my sight all is -- COMING and now shall behold -- you all do. **Will you be me now is <u>my prayer</u>** and I bow before you all; in humbly "letting you be me", not; but being me you I am, for I are the one who all of us is now, at Dad's table again. Let us be reading all THE ONES who signed **Dad** are at "the end" at the bottom of the messages I gave you, I've given you all, of me. Please see. Please be. Pleased with me again. Amen. I am pleased with you who will be me. Thank you. Amen. So much so that you will seam me not again into your thinking, but you will have mine completely completed and utterly fashioned, like a man God, not; but a God who's man not limited to him it again, shall be now. And UNDERSTAND I am all things

perfectly made well healed and whole again in my kingdom and my kingdom is one, and all kingdoms are mine ours who one are. I am. In love with you all. I adore you.

Amen

2:37 AM.
Thank you.

Amen
